Examination Blueprint for the Certified Information Privacy Professional/Asia (CIPP/A)

The examination blueprint indicates the minimum and maximum number of question items that are included on the CIPP/A examination from the major areas of the Body of Knowledge. Questions may be asked from any of the listed topics under each area. You can use this blueprint to guide your preparation for the CIPP/A examination. For example, domains II, III and IV comprise 78% of the exam.
